

Office of the Director of Central Intelligence

1 March 1974

Mr. Leo Cherne  
Executive Director  
Research Institute of America  
589 - 5th Avenue  
New York, New York 10017

Dear Mr. Cherne:

25X1 Per our 1 March telephone conversation, attached is a copy of [redacted] 25 February letter to me together with the curriculum vitae which that letter forwarded. I would appreciate any further comments you might have after you have had a chance to look this material over.

25X1 Thank you very much for your assistance in this talent search. As we agreed, as soon as an Economic NIO is chosen (whether it be [redacted] or anyone else) I will instruct him to call on you in New York at the earliest time convenient to you. We will continue to look to you for guidance and counsel as we move ahead in our endeavor to refine and improve the Intelligence Community's address to economic problems along the lines you have ably outlined in your PFIAB memoranda.

Again, many thanks for your help.

Sincerely yours,

George A. Carver, Jr.  
Deputy for National Intelligence Officers
